

Scrum Master Brussels

Taleo is a global independent management and delivery advisory group. With offices in Luxembourg, Paris, Brussels, Amsterdam, Geneva, Barcelona, and Singapore, Taleo Group provides its customers with tailored and innovative solutions. From a strategic approach to the operational implementation of projects and systems, we constantly seek to create value.

What are we looking for?

As Scrum master, you will be the facilitator of an Agile development team. You will help oversee the scrum and development team. You are knowledgeable in Agile methodology and scrum and able to educate others. You will also act as a buffer between the scrum team and product owner and maintain a safe working environment for the team by helping with conflict resolution.

What will your tasks include?

- Guarantee a smooth use of the **Scrum methodology**
- Responsible for **delivering** and **achieving** the **goals** of the project
- Organize and facilitate all the **Scrum ceremonies**: the daily Scrum, the sprint planning, the retrospective meetings, ...
- Manage the different **risks** of the project and **remove barriers** (manage interdependencies & impediments)
- Provide **assistance** or **support** to the Product Owner concerning the Product Backlog
- Challenge yourself in contact with technical and business teams
- You **proactively** propose solutions to our client

How do we imagine our future consultant?

- You have between **1 to 5 years of experience** as a Scrum Master
- You have a University Degree or experience in the **Information Technologies** fields
- You have a good knowledge of **Agile methodologies**. **A certification is an asset**
- You have strong **communication, listening & relational skills**
- You are fluent in **English** and **French** or **Dutch** (Bonus: and a good knowledge of the other)
- In a permanent **learning environment**, you will participate in the **development** of Taleo

If you find yourself in these words and are looking for a **fun and learning work environment**, then you are probably the person we are looking for!

Why should you join us?

As part of the Taleo family, you will actively participate in the **delivery of large-scale projects** in different sectors of activities. You will be part of a **talented** and **dynamic** team.

You will also be able to benefit from a **broad diversity of career options** and have the possibility to develop **international and long-lasting work relationships**.
