

Product Owner

Location: Brussels

Do you want to start an ambitious and challenging career?
Would you like to work in an exciting and fun environment?
Do you thrive in work environments that push you to be your best?

Taleo Consulting is a management consulting group with offices in Luxembourg, Paris, Brussels, Amsterdam, Anvers, Geneva, Zurich, Barcelona, Singapore, and Lisbon.

As a young and growing company, we now count over 400 employees across our 10 international offices! Our activities are primarily focused on finance, life science, retail, and energy.

What will you do?

We believe that we grow as our people grow. Motivated professionals make a difference. Not just for themselves, but also for our customers.

We are looking for people who share our corporate values among our local and international networks and promote close relationships with our customers and internal teams. Taleo's success depends on the talent of its employees, therefore we are looking for an enthusiastic Product Owner:

- Maximize the value of your products and provide **vision** and **direction** to your squad and stakeholders to develop the right components that meet the **business requirements**
- Translates customer **needs** and **wants** into requirements, and shepherds requirements through delivery by collaborating with design and IT
- Take ownership of the goals set by your squad and represent them towards your stakeholders
- Help prioritize business opportunities;
- Leverage solutions to achieve and measure business goals.
- Ensure backlog management, iteration planning and elaboration of the user stories;
- Consults with various business teams to understand current and future business needs
- Firm grasp of agile development, technology, and user experience

How do we imagine our future Product Owner?

- Excellent organizational skills with the ability to work on different topics at the same time;
- Being a team player and having excellent communication and negotiation skills;
- Willingness to fully understand the challenges of the Bank when it comes to Financial Security and assess the related impacts on your scope;
- A customer-obsessed mindset:

- Proficiency in the Agile Way of Working (e.g. backlog management; planning...) is a plus
- Good knowledge of English and Dutch or French.
- Master degree with a minimum of 5 years relevant experience
- At least 2 years as Product Owner using an agile methodology

We hire great people and give them the playing field to become awesome!

Rather than a diploma or extensive experience, it's your state of mind that will allow you to reach your potential and meet the target with Taleo!

Why should you join us?

You will be part of a talented and dynamic team! You will be able to benefit from career advancement and have the possibility to develop international and long-lasting work relationships.

If these words resonate with you and you identify with this description, send us your CV! We will be delighted to meet you.
