

## Data Engineer

**Localisation:** Genève

**Do you want to start an ambitious and challenging career?**

**Would you like to work in an exciting and fun environment?**

**Do you thrive in work environments that push you to be your best?**

Taleo Consulting is a management consulting firm with offices in Geneva, Zurich, Antwerp, Paris, Brussels, Amsterdam, Luxembourg, Barcelona, Singapore, and Lisbon. As a fast-growing company, we now have almost 400 employees in our 10 international offices! Our primary focus is on finance, healthcare, retail, and energy.

At Taleo, we all share the same values: **Family, Fun, and Excellence.**

### Your Role

For one of our clients in Finance in Geneva, we are looking for a Data engineer.

### Professional experience:

- Several years of professional experience in a similar role / SCRUM team setup
- Deep knowledge of Microsoft SQL Server and DB optimization.
- Very good knowledge of Python, or a similar scripting language(R,...)
- Used to working with a code versioning system (e.g. GIT)
- Good knowledge of an ETL solution (e.g. MS SSIS, Informatica)
- Experience of data pipelining and all related technologies on AWS (CloudFormation, Glue, Lambdas, S3)
- Notions of CI/CD workflow (e.g. Atlassian Bamboo) is a plus
- Working experience with data visualization tools like Tableau is a plus

### Responsibilities :

Overall, as part of the IDW team, your role is to provision data for the users

- Perform data modeling
- Analyse, Design, Implement and document appropriate data pipelines and data base objects (views, tables, procedures, script, etc.) in line with the Sprint Backlog
- Take part in the support activities: Troubleshooting, monitoring, query optimization, users requests
- Code according to the architecture guidelines defined with a focus on continuously improving the scalability and performance of the product
- You will join the SCRUM team of the Investment Data Warehouse as part of the development team.

Rather than a diploma or extensive experience, your state of mind will allow you to reach your potential and meet the target with Taleo!

If these words resonate with you and you identify with this description, send us your CV! We will be delighted to meet you.
