

PROJECT MANAGER – BANKING & FUNDS

Location: Luxembourg

- Do you want to start an ambitious and challenging career?**
- Would you like to work in an exciting and fun environment?**
- Do you thrive in work environments that push you to be your best?**

Taleo Consulting is a management consulting group with offices in Luxembourg, Paris, Brussels, Amsterdam, Geneva, Zurich, Barcelona, Singapore, and Lisbon.

As a young and growing company, we now count over 400 employees across our 9 international offices! Our activities are primarily focused on finance, life science, retail, and energy.

What will you do?

We believe that we grow as our people grow. Motivated professionals make a difference. Not just for themselves, but also for our customers.

We are looking for people who share our corporate values among our local and international networks and promote close relationships with our customers and internal teams. Taleo's success depends on the talent of its employees, therefore we are looking for an enthusiastic **Project Manager – Banking & Funds:**

- Lead and manage transformation projects in Core Banking, Funds Operations, or Data Management, ensuring strategic alignment and governance.
- Define project scope, objectives, timelines, and budgets, securing approvals from governance bodies.
- Act as the main point of contact between business, IT, and external vendors to ensure seamless collaboration and delivery.
- Oversee the implementation of new systems and process improvements across banking and fund operations, ensuring regulatory compliance.
- Supervise the collection, validation, and documentation of business requirements, working closely with stakeholders.
- Coordinate and manage User Acceptance Testing (UAT) and deployment phases, ensuring minimal disruption to operations.
- Drive change management and training initiatives to support business adoption of new processes and systems.

- Monitor project risks, dependencies, and issue resolution, ensuring successful execution.
- Provide expertise in banking processes, fund accounting, data management, regulatory frameworks, and IT transformation.

How do we imagine our future Project Manager – Banking & Funds?

- 5+ years of experience as a Project Manager or PMO within Banking, Funds, or Data-related projects.
- Experience leading projects in Core Banking transformation, Funds Operations, or Data Management.
- Strong knowledge of banking operations, fund administration, and financial data management.
- Familiarity with Core Banking solutions (e.g., Temenos T24, MFTA, MFFA) and fund accounting systems (e.g., Multifonds).
- Experience with CRM and workflow management platforms (e.g., Salesforce).
- Proficiency in project management methodologies (Waterfall, Agile) and tools (MS Project, Jira, Clarity).
- Understanding of banking/financial regulations (Basel, BCBS239, MiFID, AML/KYC).
- Strong analytical, problem-solving, and stakeholder management skills.
- Experience with PMO activities (reporting, methodology, risk management, execution monitoring).
- Fluent in French (mandatory) and strong command of English.

We hire great people and give them the playing field to become awesome!

Rather than a diploma or extensive experience, it's your state of mind that will allow you to reach your potential and meet the target with Taleo!

Why should you join us?

You will be part of a talented and dynamic team! You will be able to benefit from career advancement and have the possibility to develop international and long-lasting work relationships.

If these words resonate with you and you identify with this description, send us your CV! We will be delighted to meet you.
