

DevOps Architect - Front Tech

Localization: Geneva

Contract: Permanent contract with TALEO Consulting

Taleo Consulting is a management consulting group with offices in Luxembourg, Paris, Zurich, Antwerp, Brussels, Amsterdam, Geneva, Barcelona, Singapore and Lisbon. We now have nearly 400 employees through our 10 international offices!

Our financial expertise allows us to provide our clients with best practices, tailor-made and innovative solutions. Our activities focus mainly on finance, healthcare, retail and energy.

At taleo we all share the same values: **Family, Fun and Excellence**

What Will You Do?

At Taleo Consulting, we believe that our growth starts with our people. When our consultants thrive, so do our clients.

Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who embody our values and help us foster strong, trust-based relationships with both our clients and our teams across the globe.

Our success is built on the talent, collaboration, and commitment of our people and we're now looking for a **DevOps Architect** to join our journey.

How do we imagine our future DevOps Architect?

- Specify, document, and improve Front Tech applications, focusing on Java, APIs, and microservices, ensuring reliability and high standards.

Responsibilities:

- Collaborate with analysts, architects, and engineers on architecture and deployment.
- Manage micro-service reliability, production deployments, and automation.
- Diagnose production issues and provide operational guidance.
- Implement analytics and monitoring solutions.

Requirements:

- Strong Java and Spring framework expertise, JVM knowledge, REST API design.
- Experience with reverse proxies (Apache).
- Proficient in PostgreSQL, Oracle, Linux, Kubernetes.
- Fluent in French and/or English.
- Master's degree or equivalent.
- Swiss resident.
- Knowledge of OAuth2, TLS/SSL, containers, Puppet, Agile a plus.

Why should you join us?

- By joining Taleo, you'll become part of a talented, international, and dynamic team.
- You'll benefit from real career growth opportunities, continuous learning, and the chance to build long-lasting relationships across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.

Share your CV and take the next step in your journey with Taleo
