

DevOps Engineer - PAM Tech & Operations

Localization: Geneva

Contract: Permanent contract with TALEO Consulting

Taleo Consulting is a management consulting group with offices in Luxembourg, Paris, Zurich, Antwerp, Brussels, Amsterdam, Geneva, Barcelona, Singapore and Lisbon. We now have nearly 400 employees through our 10 international offices!

Our financial expertise allows us to provide our clients with best practices, tailor-made and innovative solutions. Our activities focus mainly on finance, healthcare, retail and energy.

At taleo we all share the same values: **Family, Fun and Excellence**

What Will You Do?

At Taleo Consulting, we believe that our growth starts with our people. When our consultants thrive, so do our clients.

Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who embody our values and help us foster strong, trust-based relationships with both our clients and our teams across the globe.

Our success is built on the talent, collaboration, and commitment of our people and we're now looking for a **DevOps Architect** to join our journey.

How do we imagine our future DevOps Engineer PAM Tech & Operations?

Mission:

Design, build, and manage cloud infrastructure and CI/CD pipelines on AWS, ensuring secure, scalable, and cost-effective solutions.

Responsibilities:

- Manage AWS infrastructure including EKS clusters, CI/CD pipelines, and Terraform code.
- Monitor system performance and troubleshoot production issues.
- Collaborate in agile teams and lead cloud initiatives.

Requirements:

- Experience in DevOps or software engineering roles with AWS focus.
- Proficient with Terraform, Git, scripting, and automation.
- Fluent English; intermediate French.
- Swiss resident or willing to relocate.
- Relevant certifications are a plus.
- CFC or equivalent technical education.

Why should you join us?

- By joining Taleo, you'll become part of a talented, international, and dynamic team.
- You'll benefit from real career growth opportunities, continuous learning, and the chance to build long-lasting relationships across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.
