

Insurance Middle Office Expert - Asset Management

Location: Brussels

Do you want to start an ambitious and challenging career?

Would you like to work in an exciting and fun environment?

Do you thrive in work environments that push you to be your best?

Taleo Consulting is a management consulting group with offices in Luxembourg, Paris, Brussels, Amsterdam, Geneva, Zurich, Barcelona, Singapore, and Lisbon.

As a young and growing company, we now count over 500 employees across our 9 international offices! Our activities are primarily focused in finance, life science, retail, and energy.

What will you do?

We believe that we grow as our people grow. Motivated professionals make a difference. Not just for themselves, but also for our customers.

We are looking for people who share our corporate values among our local and international networks and promote close relationships with our customers and internal teams. Taleo's success depends on the talent of its employees, therefore we are looking for an enthusiastic **Insurance Middle Office Expert - Asset Management** :

In connection to the strategic partnership between BP Cardif and BP Asset Management covering the investment management delegation of Cardif's assets, we are seeking a strong Insurance asset management MO experience.

The mission plays a key role supporting the 'Alizé Day 2' project which aims to extend today's partnership (additional assets, asset classes, services,...).

Functionally, the mission consists to assist the team and BPP AM Operations in translating the relevant D2 objectives into operational requirements, supporting the model definition & implementation.

Additionally, the revision of the existing setup, identify areas of improvement and roll out an action plan for remediation.

From a project perspective, the contribution to the structuring and governing of the assigned deliverables, ensuring clear communication among stakeholders, and providing accurate planning, reporting and progress tracking.

How do we imagine our future Insurance Middle Office Expert - Asset Management?

- Strong experience in insurance asset management and middle office operations
- Solid understanding of investment products and asset classes
- Experience in translating business objectives into operational requirements and process improvements
- Analytical mindset, rigor, and excellent documentation skills
- Ability to structure projects, track progress, and communicate clearly with stakeholders
- We value proactive people who take initiative and drive results!
- Rather than just a diploma or extensive experience, it's your mindset and adaptability that will allow you to succeed in this role!

We hire great people and give them the playing field to become awesome!

Rather than a diploma or extensive experience, it's your state of mind that will allow you to reach your potential and meet the target with Taleo!

Why should you join us?

You will be part of a talented and dynamic team! You will be able to benefit from career advancement and have the possibility to develop international and long-lasting work relationships.

If these words resonate with you and you identify with this description, send us your CV! We will be delighted to meet you.
