How do we imagine our future Senior PM E-Commerce?

Lead the e-commerce deployment project in Italy (estimated duration: 9 to 12 months)

- Structure and professionalize processes, building on the foundations of the Benelux B2B platform while integrating the specificities of the Italian market (payments, regulations, consumer behavior).

- Ensure smooth coordination with the Italy CEO, local teams, and headquarters.
- Manage stakeholders (C-level and operational teams) and establish a clear project governance framework.
- Identify risks and propose appropriate action plans.
- Define and implement missing processes, starting from scratch when necessary.
- Monitor progress, ensure deadlines are met, and guarantee delivery quality.

Profile Required

Experience

- 10 to 15+ years of experience managing complex projects in an international environment.
- Strong background in retail, e-commerce, or another fast-paced sector.
- Proven experience in stakeholder management and coordination of multi-actor projects.

Key Skills

- Excellent project management abilities (planning, tracking, coordination).
- Strong autonomy, leadership, and ability to deliver quickly.
- Ability to structure and document processes in a low-formalization environment.
- Resilience, stress management, and ability to assert oneself in a demanding context.

Languages

- Fluent English (mandatory).
- French (strong asset).
- Italian (ideally, to facilitate local interactions).

We attract top talent and empower them with the right environment to excel and drive collective success.

Why should you join us?

By joining Taleo, you'll become part of a **talented, international, and dynamic team**.

You'll benefit from **real career growth opportunities**, continuous learning, and the chance to build **long-lasting relationships** across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.
