

## CSV Junior

**Location:** Brussels

**Are you ready to take your career to the next level?**

**Do you thrive in environments that challenge and inspire you?**

**Would you like to grow within a team that values both excellence and enjoyment at work?**

Taleo Consulting is an international management consulting group with offices in **France, Luxembourg, Belgium, The Netherlands, Switzerland, Spain, Singapore, Portugal, and Italy.**

We've grown into a team of **450+ talented professionals** across **10 offices worldwide**, partnering with leading organizations in **Financial, Life Sciences, Retail, and Energy** - Sectors, to drive transformation and deliver lasting impact.

At Taleo, you'll find more than just a job. You'll join a community of ambitious consultants who share a passion for growth, innovation, and teamwork. Together, we create an environment where you can develop your skills, take on new challenges, and truly make a difference.

### **What Will You Do?**

At Taleo Consulting, we believe that **our growth starts with our people**. When our consultants thrive, so do our clients.

Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who **embody our values** and help us foster strong, trust-based relationships with both our **clients** and our **teams across the globe**.

Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for a **CSV Junior** to join our journey.

### **Key responsibilities**

Responsible for providing fit-for-purpose quality partnership and oversight on automated systems implementation for Vx Clinical Laboratories & Assay Portfolio (Vx CL&AP) & HBSM Central Team (HBSM CT) in order to secure effective pipeline delivery, audits/inspections and regulatory submission approvals.

## The aim of the mission

- Ensure that business processes, equipment and computerized/automated/analytical systems are developed, qualified or validated in compliance with applicable internal requirements (processes) and external standards such as (GCLP, GCP and ISO 9001:2015)
- Provide QA expertise and support to related stakeholders and teams
- Work with interdisciplinary teams to ensure quality standards are met throughout the automation lifecycle and ensure “one voice quality”
- Review and approve from a quality perspective, if appropriate, relevant documentation linked to GCLP/GCP and CSV activities
- Support management of technical complex problems, evaluate potential impacts on quality and ensure that the critical topics are adequately and timely escalated to management in accordance with GSK procedures

## Experience

At least 0-3 years of experience in Quality and CSV in Pharmaceutical or Biotech company

## How do we imagine our future CSV Junior?

We attract top talent and empower them with the right environment to excel and drive collective success.

## Why should you join us?

By joining Taleo, you'll become part of a **talented, international, and dynamic team**.

You'll benefit from **real career growth opportunities**, continuous learning, and the chance to build **long-lasting relationships** across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.

**Share your CV and take the next step in your journey with Taleo**
