Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for a **Senior Project Manager – Fund Operations** to join our journey.

- Lead and manage transformation projects in Core Banking, Funds Operations, or Data Management, ensuring strategic alignment and governance.
- Define project scope, objectives, timelines, and budgets, securing approvals from governance bodies.
- Act as the main point of contact between business, IT, and external vendors to ensure seamless collaboration and delivery.
- Oversee the implementation of new systems and process improvements across banking and fund operations, ensuring regulatory compliance.

- Supervise the collection, validation, and documentation of business requirements, working closely with stakeholders.
- Coordinate and manage User Acceptance Testing (UAT) and deployment phases, ensuring minimal disruption to operations.
- Drive change management and training initiatives to support business adoption of new processes and systems.
- Monitor project risks, dependencies, and issue resolution, ensuring successful execution.
- Provide expertise in banking processes, fund accounting, data management, regulatory frameworks, and IT transformation.

### How do we imagine our future Senior Project Manager – Fund Operations?

- Proven experience as a Project Manager in Fund Accounting, Fund Operations, or Asset Management environments.
- Strong expertise in managing fund events projects: launches, mergers, share class creations, and system migrations.
- Proven knowledge using eFront FIA, Multifonds MFFA, GP3-4, Investran, or similar.
- Solid understanding of fund operations processes and regulatory frameworks (AIFMD, MiFID, or equivalent).
- Demonstrated ability to coordinate multiple operational teams and manage clientfacing projects.
- Excellent organizational, analytical, and problem-solving skills, with a structured and methodical approach.
- Exceptional stakeholder management and communication skills, able to engage at senior levels.
- Familiarity with project management tools and methodologies (Prince2, PMP, Agile).
- Languages: Fluent in English; French is a strong asset.

We attract top talent and empower them with the right environment to excel and drive collective success.

### Why should you join us?

By joining Taleo, you'll become part of a **talented, international, and dynamic team**.

You'll benefit from **real career growth opportunities**, continuous learning, and the chance to build **long-lasting relationships** across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.
