What Will You Do?

At Taleo Consulting, we believe that **our growth starts with our people**. When our consultants thrive, so do our clients.

Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who **embody our values** and help us foster strong, trust-based relationships with both our **clients** and our **teams across the globe**.

Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for a **COREP FINREP Expert** to join our journey.

Mission context

Corep Solvency expert for in-depth analysis of Corep reporting & potential process improvements
Liaise with external service providers (custodians, clearing brokers, etc.) to gather a comprehensive view of their service offerings (data feeds, supported services, etc.).

Function description

As in a leading bank In order to meet the expectations of our stakeholders (senior management, regulators, the Group, external auditors, (minority) shareholders, ...), the department Accounting & Reporting prepares and analyzes a wide range of financial reports. Each of them zooms in on one or more aspects of the bank.

Activities:

For this specific role, Accounting & Reporting is looking for a subject matter expert with regard to Corep Solvency reporting. The person, who should have at least 5 years experience in the domain of **Corep Reporting**, will provide in-depth support to the head of Solvency Reporting of the bank in order to:

- Perform a deep-dive on the most sensible topics in the Corep Solvency reporting and in order to ensure a full traceability of the reported data
- Analyse and document in-depth more complex Corep topics (like FX, Market Risk, ...)
- Take the responsibility on the Large Exposure reporting
- Ensure the analysis and validation of the quarterly Corep figures
- Be able to answer to questions of management, supervisor and auditor on topics related to Corep Solvency
- Be in charge of the production, analysis and delivery of the quarterly and semi-annual P3 reportings
- Participate actively in projects within the bank on the subject of Solvency Reporting.
