At Taleo, you'll find more than just a job. You'll join a community of ambitious consultants who share a passion for growth, innovation, and teamwork. Together, we create an environment where you can develop your skills, take on new challenges, and truly make a difference.

### **What Will You Do?**

At Taleo Consulting, we believe that **our growth starts with our people**. When our consultants thrive, so do our clients.

Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who **embody our values** and help us foster strong, trust-based relationships with both our **clients** and our **teams across the globe**.

Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for a **Business analyst** to join our journey.

### **Position Overview**

Our client, a key player in the banking sector, is seeking an experienced **Business Analyst specialized in regulatory topics** to support ongoing compliance initiatives. The role focuses on interpreting regulatory requirements and translating them into actionable business and functional specifications within the organization's existing architecture.

This position is ideal for a professional who combines strong analytical capabilities with a solid understanding of banking regulations and payment systems.

## Key Responsibilities

- Analyze and interpret **regulatory frameworks** impacting the banking and payments domain
- Assess current internal processes and systems to **identify compliance gaps**, particularly within Keytrade's environment
- Translate regulatory requirements into **clear, structured business and functional requirements**
- Ensure that proposed solutions align with **existing system architecture and operational constraints**
- Collaborate with cross-functional teams (IT, compliance, operations) to **facilitate implementation of regulatory changes**
- Support stakeholders in understanding regulatory impacts and required changes
- Contribute to documentation, reporting, and validation activities related to compliance initiatives

## Required Experience

- Minimum **4 years of experience** as a Business Analyst, ideally within the **banking or financial services sector**
- Proven experience working on **regulatory or compliance-related projects**

## Core Competencies

- Strong **analytical and problem-solving skills**
- Ability to work **autonomously** while maintaining alignment with team objectives
- Effective **communication and stakeholder management** skills
- Team-oriented mindset with the ability to collaborate across departments
- Solid understanding of **payment systems**, including:
  - **SEPA (Single Euro Payments Area)**
  - **SWIFT (Society for Worldwide Interbank Financial Telecommunication)**
- Good knowledge of **financial regulations** and their operational impact

## Working Conditions

- **Start Date:** ASAP
- **Workload:** Full-time (5 days per week)

## Why should you join us?

By joining Taleo, you'll become part of a **talented, international, and dynamic team**. You'll benefit from **real career growth opportunities**, continuous learning, and the chance to build **long-lasting relationships** across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.

**Share your CV and take the next step in your journey with Taleo**
