

Quality & Compliance Specialist

Accredited Laboratory & Standards Conformity

Location: Louvain-la-Neuve, Region wallonne

Are you ready to take your career to the next level?

Do you thrive in environments that challenge and inspire you?

Would you like to grow within a team that values both excellence and enjoyment at work?

Taleo Consulting is an international management consulting group with offices in **France, Luxembourg, Belgium, The Netherlands, Switzerland, Spain, Singapore, Portugal, and Italy.**

We've grown into a team of **450+ talented professionals** across **10 offices worldwide**, partnering with leading organizations in **Financial, Life Sciences, Retail, and Energy** - Sectors, to drive transformation and deliver lasting impact.

At Taleo, you'll find more than just a job. You'll join a community of ambitious consultants who share a passion for growth, innovation, and teamwork. Together, we create an environment where you can develop your skills, take on new challenges, and truly make a difference.

What Will You Do?

At Taleo Consulting, we believe that **our growth starts with our people**. When our consultants thrive, so do our clients.

Motivated, curious, and passionate professionals make a real impact, not only on their own careers but also on the success of the organizations they support.

We're looking for individuals who **embody our values** and help us foster strong, trust-based relationships with both our **clients** and our **teams across the globe**.

Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for a **Quality & Compliance Specialist** to join our journey.

Position Overview

Our client is seeking a **Quality & Compliance Specialist** with strong expertise in **standards conformity and laboratory-based testing** within the medical device or electrotechnical domain. This role focuses on ensuring that products meet applicable regulatory and safety standards through close collaboration with accredited laboratories and adherence to established conformity assessment processes.

The ideal candidate combines a solid technical background with hands-on experience in compliance, testing coordination, and regulatory frameworks.

Key Responsibilities

- Ensure product compliance with applicable **electrotechnical standards**, particularly the **IEC 60601 family** for medical devices
- Coordinate and manage **conformity testing activities** with accredited laboratories
- Act as the main point of contact between internal teams and **external testing partners**
- Support and oversee testing processes, including:
 - **Electrical safety testing**
 - **Electromagnetic Compatibility (EMC)**
 - **Radiation testing** (if applicable)
- Review and interpret test reports to **validate compliance with standards and regulatory requirements**
- Contribute to the preparation and maintenance of **technical documentation and compliance files**
- Ensure alignment between product design, testing outcomes, and **regulatory expectations**
- Maintain up-to-date knowledge of **relevant standards and conformity assessment procedures**

Required Profile

- Hands-on experience with **electrotechnical standards for medical devices**, especially **IEC 60601**
- Proven experience working with **accredited testing laboratories**
- Strong knowledge of:
 - Electrical safety
 - EMC requirements
 - Radiation testing (considered an asset)
- Background in:
 - Product compliance
 - Regulatory affairs
 - Electrical engineering
- Familiarity with **conformity assessment processes and certification standards**
- Analytical, detail-oriented, and able to work both **independently and collaboratively**

Languages

- Fluency in **French and English** (written and spoken)

Why should you join us?

By joining Taleo, you'll become part of a **talented, international, and dynamic team**.

You'll benefit from **real career growth opportunities**, continuous learning, and the chance to build **long-lasting relationships** across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.
