Our success is built on the **talent, collaboration, and commitment** of our people and we're now looking for **an Avaloq Project Manager** to join our journey.

### Mission Context

We are looking for a Project Manager / Business Analyst with experience in Avaloq-driven environments to support and deliver business-critical initiatives. This role focuses on coordinating stakeholders, structuring requirements, and ensuring successful project execution, rather than hands-on technical development.

## Key Responsibilities

- Lead and coordinate Avaloq-related projects and initiatives from initiation to delivery
- Act as the main point of contact between business stakeholders, IT teams, and external partners
- Gather, structure, and document business requirements in a clear and concise manner
- Facilitate workshops and discussions to align on objectives, scope, and solutions
- Translate business needs into functional requirements and ensure proper follow-up with delivery teams
- Monitor project timelines, milestones, risks, and dependencies
- Support testing phases by coordinating user acceptance testing and validating outcomes
- Ensure clear communication and reporting to stakeholders throughout the project lifecycle
- Contribute to process improvements and support change management activities

## Required Skills & Experience

- Experience in Project Management and/or Business Analysis within banking or financial services
- Good understanding of Avaloq or similar core banking systems
- Familiarity with private banking processes (e.g., client lifecycle, payments, compliance)
- Ability to manage stakeholders across business and IT
- Strong organizational and coordination skills
- Experience working in structured project environments (Agile, Waterfall, or hybrid)

## Nice to Have

- Exposure to transformation or system implementation projects
- Knowledge of regulatory topics (e.g., KYC, AML, MiFID)
- Certifications in Project Management or Business Analysis

## Soft Skills

- Strong communication and interpersonal skills
- Structured and pragmatic approach to problem-solving
- Ability to manage multiple priorities and deadlines
- Collaborative and proactive mindset

## Education

- Degree in Business, Finance, IT, or a related field

### Why should you join us?

By joining Taleo, you'll become part of a **talented, international, and dynamic team**. You'll benefit from **real career growth opportunities**, continuous learning, and the chance to build **long-lasting relationships** across borders and industries.

If you recognize yourself in this description and are ready to grow with a company that values ambition, collaboration, and excellence, let's connect.

**Share your CV and take the next step in your journey with Taleo**
