Do you thrive in work environments that push you to be your best?

Taleo Consulting is a management consulting group with offices in Luxembourg, Paris, Brussels, Amsterdam, Geneva, Zurich, Barcelona, Singapore, and Lisbon.

As a young and growing company, we now count over 400 employees across our 9 international offices! Our activities are primarily focused on finance, life science, retail, and energy.

What will you do?

We believe that we grow as our people grow. Motivated professionals make a difference. Not just for themselves, but also for our customers.

We are looking for people who share our corporate values among our local and international networks and promote close relationships with our customers and internal teams. Taleo's success depends on the talent of its employees, therefore we are looking for an enthusiastic **Product Owner – Life Insurance:**

- Define and manage the **product vision and strategy**, aligning with customer and business goals.
- Develop and maintain the **product roadmap**, prioritizing features based on business and customer requirements.
- Act as the **primary liaison** between business stakeholders and development teams, ensuring alignment on objectives.
- Own and **prioritize the product backlog**, ensuring clarity, feasibility, and continuous refinement.
- Oversee the entire development lifecycle, providing feedback and driving improvements.
- Ensure compliance with **industry regulations** and internal governance standards.
- Collaborate with cross-functional teams to enhance customer experience and business processes.

- Monitor **product performance**, gather stakeholder feedback, and drive continuous improvement.
- Facilitate **communication and governance**, ensuring alignment between teams and **stakeholders**.
- Participate in sprint reviews and provide feedback to optimize future development cycles.
- Lead training sessions and stakeholder awareness initiatives to ensure smooth adoption of new solutions.

How do we imagine our future Product Owner – Life Insurance?

- At least 5-7 years of experience as a Product Owner, Project Manager, Business Analyst.
- Strong domain expertise in insurance, particularly in Health and Life & Savings (including Employee Benefits).
- Experience with IT solutions used in the insurance sector.
- Solid understanding of customer journey mapping and process reengineering.
- Proficiency in project management methodologies, including Agile and hybrid approaches.
- Strong analytical, critical thinking, and prioritization skills to maximize product value.
- Excellent stakeholder management, planning, and organizational skills.
- Ability to lead multi-disciplinary teams and manage external service providers.
- Strong communication and collaboration skills, with the ability to bridge business and technical teams.
- Fluent in French and English.

We hire great people and give them the playing field to become awesome!

Rather than a diploma or extensive experience, it's your state of mind that will allow you to reach your potential and meet the target with Taleo!

Why should you join us?

You will be part of a talented and dynamic team! You will be able to benefit from career advancement and have the possibility to develop international and long-lasting work relationships.

If these words resonate with you and you identify with this description, send us your CV! We will be delighted to meet you
